10. Add Article: Bulletin Boards.

Redline:

ARTICLE []

The Employer agrees to provide a designated space in which the Union may place a bulletin board for the posting of Union communications, provided such information is not disruptive to operations and management receives a copy of any material prior to posting.

The Company reserves the right to add, delete, amend, alter, or otherwise change its proposals during the course of negotiations. The Company also reserves the right to make counterproposals to union non-economic and economic proposals.
