This total and comprehensive package proposal is conditioned upon a prompt and peaceful settlement and must be accepted in its entirety. The Employer reserves the right to revoke this offer in its entirety in the event it is not recommended in its entirety or as the result of any economic action initiated against any member of the coordinated employer group by the Union. All other employer proposals are conditionally withdrawn as part of this package, although the Employer reserves the right to revert to prior positions if this offer is not accepted.

### Term of Agreement

Employer proposes an agreement for a term from March 5, 2025 through March 4, 2028 at 11:59 p.m.

### Wages

*Bargaining Note: Cub has proposed increases for TOS and above in all classifications, but has not proposed increases to grid starting points. Cub processed regular six-month increases for in progression associates in early March, so over 700 associates have received increases since contract expiration, and that is why Cub is not proposing any immediate increases for those in progression as all have received an increase (or been hired) within the past six months.*

Cub proposes wages and classifications as set forth in the attached wage grids, with wage changes to be effective as of the Sunday prior to contract ratification.

The following language from the 2023-2025 contract to be maintained:

- Food Handlers and Pharmacy Employees shall receive not less than ten cents (\$.10) above federal state, city or county minimum wage, whichever is higher, during the term of this agreement.

The following language to be added regarding minimum wage increases:

- If, due to minimum wage laws, an employee receives an unscheduled increase, if such increase is more than the next scheduled progression increase, the employee's progression date increase will be reset to the effective date of the minimum wage change.**

**June 23, 2025**

The service and vesting provisions of the VAP Plan will be the same as the Legacy Plan. The death benefit and disability benefits of the VAP Plan will be the same as the Legacy Plan. The forms of retirement benefit options of the VAP Plan will be the same as the Legacy Plan.

- (H) The Normal Retirement Age of the VAP Plan will be age 65. Eligibility for Early Retirement will be the same as the Legacy Plan with benefits reduced 6.0% per year for each year of retirement commencement prior to Normal Retirement Age. For example, if a pension-eligible employee retires at age 61, the employee's pension benefit shall be reduced by 24% ((retirement commenced 4 years prior to age 65) x 6% reduction per year).
- (I) All accrued annual benefits in the VAP Plan will be adjusted annually based on investment performance benchmarked to a hurdle rate of 5.5%.
- (J) Annual increases in accrued benefits will be capped at 3.0% above the hurdle rate. Any surplus increase in fund revenue based on investment performance above the 3.0% capped annual benefit adjustment will be allocated to a Stabilization Reserve. The purpose of the Stabilization Reserve is to support the maintenance of accrued benefits (for both actives and retirees) in years in which the investment return is less than the hurdle rate and which would normally cause a decrease in the accrued benefit. The Stabilization Reserve will be governed by the board of trustees of the VAP Plan according to the intent of this paragraph.
- (K) Upon retirement, employees eligible for pension benefits pursuant to the VAP Plan will have the option to choose whether (1) their retirement benefits will be fixed as of the date of their retirement, or (2) their retirement benefits will continue to vary annually based on investment performance. For employees who leave their employment for any reason prior to retirement, the accrued benefits will remain variable until retirement, at which point the employee may choose whether (1) their retirement benefits will be fixed as of the date of their retirement, or (2) their retirement benefits will continue to vary annually based on investment performance.
- (L) An Employer may withdraw from the Legacy Plan during the term of this Agreement and pay its allocated withdrawal liability, as long as it continues to participate in the VAP Plan pursuant to the terms of the collective bargaining agreement.

~~(M) The Employer and the Union agree that during the term of this contract the parties will convert the Legacy Plan and VAP Plan Weekly Contribution Rates set forth above to an Hourly Composite Contribution Rate, to be effective with the employer's contribution payments for January 2019 to the VAP Plan and effective with the March 2019 payments for the Legacy Plan per the Plan Board of Trustees policy and as bargained.~~

~~The Board of Trustees will vote on a plan contribution conversion policy no later than October 31, 2018. The hourly composite contribution rates will be equivalent to what the weekly contribution rates would have been for the same time periods. Such policy must protect the financial integrity of the two plans and treat the converting employers fairly and equitably.~~

~~The collective bargaining agreement will be revised to state the hourly composite contribution rates and procedures once they are adopted by the board of trustees.~~

*These proposals are offered in a good faith effort to reach negotiated agreements for our respective collective bargaining agreement with UFCW Local No. 663. Any employer proposals that are withdrawn during the course of negotiations shall not be introduced as evidence or have any effect in any future bargaining, grievances, or arbitration hearings. We reserve the right to add to, modify or delete proposals at any time. **(M)(N)** The Employer agrees that it will make available to employees who have completed the probationary period the option to contribute to an Employer-sponsored 401(k) retirement savings plan or have the option to offer a Roth Plan, subject to the conditions and requirements of that plan. It is understood that the Employer itself will have no obligation to make contributions to this plan on behalf of any employee or to match any contributions to such plan which may be made by any employee. The sole purpose of this provision is to provide employees with an advantageous opportunity to set aside personal funds for retirement savings.

**(N)** **The Employer is not required to make contributions to the Legacy Plan or VAP Plan after termination of employment (e.g. on vacation pay-outs after termination).**

**(O)** **The Employer and Union believe the Fund Trustees should be transparent with them and plan participants and that their fiduciary duties require that periodic Requests for Proposals (RFPs) be conducted to determine the vendors best suited to provide services. For these reasons, upon request of either party to this Agreement, the Employer and Union shall jointly request quarterly updates from the Fund Trustees and jointly request that the Fund Trustees conduct RFPs commensurate with the vendors' next contract renewal. The Employer and Union further agree not to interfere with such requests.**

### **Health and Welfare**

***COMPANY CLARIFICATION:*** *The trustees of the UFCW 663 MRMC Health & Welfare Plan passed a Union initiated motion to improve current H&W benefits earlier this year. This motion included many, if not all, of the benefit improvements the union proposed at the bargaining table. This means that starting January 1, 2026:*

- annual vision exams will be covered at 100%; and*
- diagnostic and preventive, restorative, and prosthetic dental services coverage will be \$2,000 per eligible person annually;*
- annual deductible for comprehensive major medical benefits will be \$500 per eligible person, and \$1,500 per family; and*
- annual out of pocket maximum for comprehensive major medical benefits will be \$2,500 per eligible person and \$5,000 per family.*

*The result is that the contributions below will purchase improved benefits for participants in the health plan.*

Employer proposes to modify Article 15 as set forth below:

#### **Article 15: Health and Welfare**

**(A) Health & Welfare Fund:** The Minneapolis Retail Meat Cutters and Food Handlers Health and Welfare Fund (the "Fund") is jointly administered by Union Trustees and Employer Trustees. The Employer is bound by the existing Trust Agreement covering the Fund and any amendments thereto to the extent they do not conflict with this Agreement. The Employer agrees to pay into the Fund contributions on behalf of any employee who meets the eligibility criteria outlined

below. The benefit plans are as agreed upon by the Employer Trustees and Union Trustees and will remain in effect for the life of the Agreement except as may be modified by agreement of a majority of the Board of Trustees, which shall not conflict with the eligibility terms of this Agreement.

- (B) **Benefit Commencement:** Benefit commencement shall remain as it was during the 2023-2025 agreement through December 31, 2025. Effective January 1, 2026, newly eligible employees that elect coverage specified in Article 15(D) under the Minneapolis Retail Meat Cutters and Food Handlers (MRMC) Health and Welfare Plan (the “H&W Plan”) shall have coverage commence the first day of the calendar month following the calendar month the Fund receives contributions on the employee’s behalf.
- (C) **Benefit Elections:** The H&W Plan Administrator shall administer the benefit election process directly with employees for newly eligible employees, open enrollment, and qualified mid-year election changes. Newly eligible employees shall have 30 days to make their benefit elections from the date they begin employment in an eligible classification.
- (D) **Benefit Coverage Options:**
- Full-time employees are eligible to elect one of the following tiers of coverage: Single, Single and Spouse, Single and Child(ren), Family, or Ancillary.
  - Through December 31, 2025, modified part-time employees are eligible to elect one of the following tiers of coverage: Single or Single and Child(ren). Employees who wish to purchase Single and Child(ren) coverage will be required to contribute the difference in premiums between Single and Single and Child(ren) coverage with the Employer’s contribution capped at the Employer’s portion of the Single coverage rate. Starting January 1, 2026, modified part-time employees are eligible to elect any tier of coverage: Employees who wish to purchase coverage other than Single will be required to contribute the difference in premiums between Single and the tier of coverage that they elect, with the Employer’s contribution capped at the Employer’s portion of the Single coverage rate.
  - All other part-time employees (including courtesy and custodial employees) are eligible to elect Ancillary benefits (e.g., Doctor on Demand, Dental, Vision, Life, and AD&D) that provide single coverage for themselves.
- (E) **Open Enrollment:** Pursuant to the H&W Plan rules, eligible employees will annually have the opportunity to elect or change coverage under the H&W Plan effective the following January 1. Should an eligible employee elect or change coverage during the annual open enrollment period, the Employer must begin contributions in December, so long as the employee had actual hours worked in November, for coverage to begin January 1. Employees who are already enrolled and do not need to modify their coverage election in H&W Plan do not need to take any action during the annual open enrollment period to continue their existing coverage. Open enrollment for Health & Welfare and Ancillary benefits will occur annually. The H&W Plan Administrator shall notify the Employer of all new or changed benefit elections no later than October 15. The Employer shall cooperate with the Fund Office in providing the Fund Office with eligible employee information to allow for enrollment to be conducted by the Fund Office during periods of open enrollment and as employees become eligible for coverage during the year.

*These proposals are offered in a good faith effort to reach negotiated agreements for our respective collective bargaining agreement with UFCW Local No. 663. Any employer proposals that are withdrawn during the course of negotiations shall not be introduced as evidence or have any effect in any future bargaining, grievances, or arbitration hearings. - (G) **Benefit Contributions:** The Employer agrees to contribute to the Fund as it did during the 2023-2025 agreement through December 31, 2025, but at the employer and employee rates set forth below. Effective January 1, 2026, the Employer agrees to contribute to the Fund for employees electing coverage on the basis of employee classification as follows:
