ARTICLES OF AGREEMENT

Entered into between the United Food and Commercial Workers, Local Union 663, Brainerd Minnesota, hereinafter referred to as the "Union", and the companies signatory to this Agreement in Brainerd, Minnesota, hereinafter referred to as the "Employer".

ARTICLE 1: RECOGNITION AND UNION SECURITY

1.1 Recognition: The Union is recognized as the sole and exclusive bargaining agent for all Meat Department, Grocery Department, Bakery Department, Deli Department, and Non-Foods Department employees of the Employer under the jurisdiction of the above-named Local Union. The Employer will be allowed to have up to three (3) employees (including the store manager) at each store outside the bargaining unit, who can do bargaining unit work.

1.2 Union Security: It shall be a condition of employment that all employees of the Employer covered by this Agreement who are members of the Union in good standing on the date on which this Agreement is signed, shall remain members in good standing, and those who are not members of the Union on the date on which this Agreement is signed shall on the 31st day following the date on which this Agreement is signed become and remain members in good standing in the Union. It shall also be a condition of employment that all employees covered by this Agreement and hired on or after the date on which this Agreement is signed shall on the 31st day following the beginning date of such employment become and remain members in good standing in the Union.

"In good standing," for the purposes of the agreement between this Union and this Employer, is defined to mean the payment of a standard initiation fee and standard monthly dues as applied uniformly to all employees covered by this agreement.

1.3 Dues Check-off: The Employer agrees to deduct Union dues, initiation fees and/or uniform assessments from the wages of the employees in the bargaining unit who provide the Employer with a voluntary written authorization which shall not be irrevocable for a period of more than one (1) year or beyond the termination of this Agreement, whichever occurs sooner.

The deduction of Union dues shall be made on a monthly basis and shall be forwarded to the Union within ten (10) days after such deduction is made. In the event no wages are due the employee, or are insufficient to cover the required deduction, the Employer will so state on the

Union forms provided. The Union will then make its own arrangements with the employee as to payment.

No deduction shall be made that is prohibited by applicable laws. The Union will defend and save the Employer harmless from any claim arising out of deductions provided in this Section and payment thereof by the Employer to the Union.

1.4 Union Market Cards: The Union Market Card is loaned to the Employer who signs and abides by this Agreement and is to be displayed in a prominent place in the market.

1.5 Visitation: Business representatives of the Union shall be admitted to the work rooms at all times employees of the Bargaining Unit are at work to collect Union dues, and to satisfy himself/herself that the terms of the contract are being complied with.

1.6 Probationary Period: New employees shall be classified as probationary employees during the first thirty (30) days (calendar days) of their employment, and during the probationary period they will have no seniority or right to employment and may be discharged or disciplined with or without cause. At the end of the probationary period, such employees will be entered on the seniority list as of their date of hire. However, during the probationary period all other contract provisions shall prevail.

Probationary period may be extended for up to thirty (30) calendar days by mutual agreement between the Employer and the Union.

1.7 Shop Steward: The Employer shall recognize two shop stewards appointed by the Union in each retail establishment. However, the performance of his/her duties shall not negatively affect his/her work or the work of other employees, and shall not interfere with the operation of the business. Where possible, all union business shall take place outside of working hours unless by mutual agreement.

ARTICLE 2: NO STRIKE / NO LOCKOUT - PICKET LINE

2.1 No Strike / No Lockout: The Employer agrees that there shall be no lockout and the Union and the employees agree that there shall be no strike during the life of this Agreement.

2.2 Picket Line: It shall not be construed to be a violation of this Agreement for an employee to refuse to cross a picket line of a striking or locked out union.

ARTICLE 3: HOURS OF WORK

3.1 Workweek and Workday: The regular workweek shall be forty (40) hours to be worked in five (5) days, Monday through Saturday. (All time worked in excess of forty (40) hours per week or eight (8) hours in one (1) day shall be paid for at one and one-half (1½) times the employees regular rate of pay.) For Bakery Department employees, the Monday shift may start on Sunday night.

3.2 Split Shifts: No full-time employee shall be required or permitted to work a split shift. No part-time employee shall be required to work a split shift. A split shift is any interruption of the daily work of the employee except his or her regular lunch or rest period.

3.3 Workweek: Part-time employees will be scheduled to work each week, in no more than five (5) days Monday through Saturday, exclusive of Sunday and Holiday hours worked and/or paid for. Part-time employees shall receive not less than four (4) hours of work or pay at one and one-half (1½) times their regular rate of pay, if called to work on their sixth (6th) workday.

3.4 Weekly Minimums: In the event a part-time (carryout employee - fourteen (14) hours) is scheduled to work, the employee shall be entitled to a minimum schedule of fifteen (15) hours. This provision shall not apply to an extra employee working on Friday or Saturday only.

3.5 Daily Minimums: Minimum daily schedule will be four (4) hours for non-student part-time employees and three (3) hours for student part-time employees, bagger employees and clean-up employees.

3.6 Reduced Workweek: The Employer shall be allowed in the meat departments to utilize a maximum of two (2) meat wrappers, per Employer, on a reduced full-time workweek. The Employer shall be allowed to schedule up to eight (8) hours per day with a four (4) hour minimum call in.

3.7 Lunch Periods: A thirty (30) minute or one (1) hour unpaid lunch period shall be allowed for lunch each day the employee works a shift of seven (7) hours or more. The thirty (30) minute or

one (1) hour lunch period option will be decided on an individual store basis by a majority of the employees affected. Following this election, any deviation shall be mutually agreed upon by the Union and the Employer. Lunch periods will be scheduled as near as possible to the middle of the employees shift.

3.8 Rest Periods:

a. A full-time employee shall be entitled to two (2) fifteen (15) minute rest periods for each eight (8) hour shift without loss of pay which shall be considered as time worked.

b. All employees shall receive a paid rest period of fifteen (15) minutes for any four (4) hours worked, not to exceed thirty (30) minutes in any workday of less than twelve (12) hours. No rest period shall be provided in any four (4) hour period which is broken by a paid supper period.

3.9 No Duplication or Pyramiding: There shall be no duplication or pyramiding of overtime or premium payments.

3.10 Posting Schedules: Work schedules for all Employees shall be made up for a two (2) week period. The schedule shall be posted for any two (2) week period no later than Friday at 2:00 p.m. preceding the first week of the two (2) week period. All Employees shall have the opportunity prior to the posting of the schedule to request of the Employer, in writing, a particular day or days off. Written day-off requests must be received no later than three (3) days prior to the time the work schedule is posted. The Employer will grant the request based on the needs of the business so that the Employee receives his/her requested day or days off without loss of hours, based on seniority. Untimely requests (those that come in with less than three (3) days' notice), if granted, may result in loss of hours. Once the schedule for any period is posted, there shall be no change in the schedule for that period, except for emergencies. Employees will notify the Employer in advance when they will not be available for work. When requested, the Employer shall supply to the Union copies of work schedules. The method by which schedules are supplied will be determined based on the store's capability.

3.11 **Weekend Rotation:** Each year from the nearest Saturday to May 1st, and through the nearest Sunday to September 30th, full-time employees who make a request will be given weekends off on a rotation basis. The number of full-time employees on weekend rotation will be determined by each store based on its operational needs.

3.12 **Emergencies:** The minimums provided in this Article may be waived by mutual agreement when an emergency situation occurs that is beyond the control of the employee or the Employer.

ARTICLE 4: SENIORITY

4.1 **Seniority by Department:** Seniority shall be separate within the following departments:

a. Grocery Department, Non-Foods Department, Delicatessens Department, Bakery Department and courtesy/custodial. When Bakery & Deli Departments share a common area and are not separate and distinct departments, they shall be considered as one department with seniority within that department. Within each department there shall be two separate seniority lists. One for full-time employees (4.2) and one for part-time employees (4.3).

b. Meat Department employees hired prior to December 10, 1995 shall have seniority in the meat department effective as of their last date of hire and shall not be subject to lay-off or reduction in hours if any meat department employee hired after December 9, 1995 is employed. Meat department employees hired after December 9, 1995 seniority shall be separate between two (2) groups of employees; (A) Journeyman and Apprentice meat cutters and (B) Meat wrappers.

4.2 **Full-Time Seniority:** For those full-time employees (excluding carryout and custodial employees) who work thirty-two (32) hours per week or more:

a. Seniority is defined as the length of the employee's service with each signatory Employer throughout the operations within the bargaining unit, except that department heads as set forth in Appendix A will have seniority over other employees for layoff and recall purposes.

- b. An employee's seniority shall be their date of hire or transfer into their particular group. Seniority shall apply to layoffs and rehires. The last employee hired shall be the first laid off, and the last employee laid off shall be the first rehired. A reduction of an employee's work schedule below thirty-two (32) hours per week shall be considered a partial layoff, and their rate of pay will be adjusted to the appropriate part-time rate of pay.

- c. When an employee is promoted or accepts a position within their classification or in a different seniority classification, that employee shall be given a thirty (30) calendar day window to return to their previous classification and suffer no loss in seniority.

- d. When an employee is voluntarily reduced from full-time to part-time, he or she shall lose his or her full-time seniority right and his or her part-time seniority on the appropriate part-time list shall date from original date of hire. A full-time employee who is involuntarily reduced in hours shall maintain his or her full-time seniority rights and also has seniority rights on the appropriate part-time lists from date of original hire until the resumption of full-time employment. When a part-time employee is advanced to full-time, he or she shall have full-time seniority rights only dating from his or her more recent assignment to full-time work except the full-time employee who is reduced involuntarily shall have his or her seniority date restored as it existed at the time of reduction in hours, provided the employee is qualified and available to do the work.

- e. A forty (40) hour employee may be reduced to a thirty-two (32) hour workweek upon written request of the employee and for a reduction period of not less than six (6) months from date of reduction. Employees requesting reduction must give notice to the store manager, in writing, at least one (1) week prior to the week in which the reduction is to become effective. Any such request must be approved by both the Employer and the Union. If more requests for reductions are made than can be allowed, then the requests shall be granted on the basis of seniority and the most senior employee will deserve the first choice.

4.3 Part-Time Seniority (less than thirty-two (32) hours per week): For those part-time employees (excluding carryout and custodial employees and extra employees) who work less than thirty-two (32) hours per week and have not qualified for rights under 4.2 above:

- a. Such employee's seniority shall apply to layoffs and rehire. The last employee hired shall be the first laid off, and the last employee laid off shall be the first rehired provided the employee is qualified to perform the work available.

- b. All such employees shall be entitled to preference for scheduling of hours within the individual store in the order of their seniority so that no such junior part-time employee shall receive more hours of employment than a senior employee. In the event there is a violation of seniority relating to the number of hours scheduled, the Employer shall correct such violation by rescheduling during the following four (4) week period. A schedule of hours worked by such employees shall be posted within the store weekly. The time limitation on the filing of such grievance shall not begin to run until the schedule is posted.
- c. Part-time employees who work over 31.9 hours Monday-Saturday for 1 week in a four (4) week period shall not require a full-time benefit contribution on behalf of the employee.

4.4

Ratios: It is the intention of the parties that the number of part-time employees (meat, bakery, deli, grocery - excluding courtesy, custodial, clean-up employees and extra employees as defined in Article 16, Section 16.2) shall not exceed three (3) part-time of such employees to one (1) full-time of such employees. Stores may reach the one full-time to three part-time ratio only through store closing, attrition or both. The Union will assist the Employers with constructive input in an effort to improve the full-time to part-time store ratios toward reaching the 3 to 1 goal stated above.

4.5

Meat Apprentice Ratio: All meat markets shall employ first a Journeyman, then one (1) apprentice may be hired and the ratio thereafter will be one (1) apprentice for each two (2) full-time Journeymen.

4.6

Applying for Higher Job Classification: All part-time employees with the exception of courtesy and custodial employees shall have the option of notifying the Employer and the Union in writing of their desire to obtain full-time employment. All full-time positions shall be posted in the store for a period of five days if the departing Employee give the Employer not less than 3 weeks' notice, unless vacancy is caused by an unforeseen emergency. Employees who respond to the posting and notify the Employer shall be given preference in accordance with their seniority for full-time employment if qualified and able to perform the requirements of the job, in the

- 5.1 **Definition of Grievance** - A grievance is any controversy between the Employer and the Union with respect to:
1. interpretation of this Agreement; or

ARTICLE 5: GRIEVANCE AND ARBITRATION PROCEDURE

- 4.10 Employer shall have the right to fill Department Head positions without regard to seniority.
- 4.9 **Inter-Store Scheduling:** When it becomes necessary for the Employer to work a full-time employee in more than one (1) store to provide the employee with a full workweek, the junior qualified employee shall be required to accept such an assignment if a senior employee exercises his or her option to reject the assignment.
- 4.8 **Seniority Lists:** At six (6) month intervals, the Employer shall provide the Union with additions and deletions to the company-wide seniority list, including date of hire.
- 4.7 **Loss of Seniority:** Seniority will be terminated if an employee quits, is discharged, fails to return to work from layoff within six (6) days after notice by registered letter to his or her last known address or absence from the job for any reason other than sickness or injury for a period in excess of one (1) year. No employee shall be discharged without just cause. Dishonesty, drunkenness, gross inefficiency and use of illegal or non-prescribed control substance(s) (drugs), or other just cause which may warrant immediate discharge, will be considered as causes for dismissal.
- Employer in writing.
- option of the Employer for an available opening. Nothing herein prevents the employer from temporarily filling a full-time vacancy while the posting process is active in the case of unforeseen circumstances. However, the Employer may fill up to seventy-five percent (75%) of such openings in each classification with persons from outside of the bargaining unit which includes part-time employees inside the bargaining unit irrespective of seniority. Carry out or courtesy employees, based on length of service, ability and work record with the Employer, shall be given preference for part-time job openings within their store provided they have notified the

5.2 Time Limit on Grievance: Grievances must be taken up promptly and no grievance will be considered or discussed which is presented later than ten (10) calendar days after the occurrence of the matter causing the grievance, provided however, that there shall be no such time limitation on grievances involving computational errors with respect to wages or overtime. The Employer's retroactive liability on a back wage claim shall not exceed ninety (90) calendar days from the date that the grievance is raised in writing with the Employer, except in cases of willful non-compliance, no time limit shall apply.

5.3 Grievance Procedure: All grievances, as defined in Section 5.1, above, shall be settled in the following manner in the Steps set forth:

Step 1: When an employee has a grievance, he or she shall, individually or with the Steward and/or Business Representative of the Union, attempt to settle the grievance with the Store Manager. If a settlement is not reached, the aggrieved employee and the Business Representative shall reduce the grievance to writing within five (5) calendar days after the final discussion in this Step if the grievance is to be further considered. The grievance will then be given to the store operator or representative for handling under **Step 2.**

Step 2: After the written grievance has been presented to the operator, the aggrieved employee and the Union Representatives shall discuss with him and/or the Employer Representatives in an attempt to settle the grievance. If a settlement is not reached in this Step, the Union must notify the Employer within five (5) calendar days after the final meeting in this Step if the grievance is to be further considered in Step 3 of this procedure.

Step 3: Upon notification that the grievance is going to be referred to Step 3, Union Representatives shall discuss with the Employer, the Labor Relations Representative and/or other Employer Representatives to attempt to settle the grievance. The Labor Relations Representative shall prepare a written disposition of the grievance after the final discussion in this Step and forward copies thereof to the Union. The settlement, as set forth in this disposition, shall be final and binding on all parties unless the Union gives the Labor Relations Representatives a written demand for arbitration within ten (10) calendar days after the receipt of the disposition.

Step 4: Arbitration. Following the written demand for arbitration, representatives of the Employer and the Union shall attempt to agree on the selection of an arbitrator. Under this procedure, the party desiring arbitration shall request the Minnesota Bureau of Mediation Services to submit a list of seven (7) arbitrators in the local area. From this list, the Union and the Employer shall alternate striking the first name. The striking of names shall continue until one name remains. The remaining name shall be the arbitrator.

5.4 Request for Arbitration: The written request for arbitration shall be sent to the arbitrator by the party requesting arbitration with a copy to the other party.

5.5 Authority of the Arbitrator: The authority of the arbitrator shall be limited to the determination of the original written grievance, provided that the arbitrator refer back to the parties without decision on any matter not a grievance as defined in Section 5.1 of this Article. The arbitrator shall not be empowered to add to, subtract from, or modify the terms of this Agreement.

5.6 Final Award: The decision of the arbitrator shall be final and binding on the Employer, the Union and the employees within the bargaining unit.

5.7 Expenses of Arbitration: In Step 4 of Section 5.3, each party shall pay all expenses incurred involving its representatives. All expenses and fees of the arbitrator shall be shared equally by the Employer and the Union.

5.8 Conflict with Agreement: No settlements shall be made in Steps 1 and 2 of this procedure which contradict or change in any way the terms or provisions of this Agreement.

5.9 Union Executive Board Authority: The Executive Board of the Union shall have the right to determine whether or not the employee's grievance is qualified to be submitted to arbitration by the Union.

5.10 Employer Grievance: Nothing contained herein shall preclude the Employer from filing a grievance under this procedure. Such grievance shall be filed at Step 3.

8.5 In no case shall there be more than fifty-two (52) weeks of contributions in any anniversary year on behalf of any employee (as in the case where an employee chooses to work and take pay in lieu of earned vacation.

- 8.6 Benefit Program:** The program benefits of this plan are as agreed to between the Employer and the Union and will be maintained for the life of this Labor Agreement at no cost to the Employee. Any amount of increased contributions, if any, shall be determined by a majority vote of the Board of Trustees who administers the Health and Welfare Fund. Benefits may be modified by mutual agreement of the board of trustees.
- 8.7** The Employer is bound by the existing Trust Agreement covering the aforesaid Trust Fund and any amendments thereto.

ARTICLE 9: PENSION

- (A) The Minneapolis Retail Meat Cutters and Food Handlers Pension Fund (the Legacy Plan) will be frozen for all accrued benefits after February 28, 2019. Existing Legacy Plan participants will continue to earn vesting service and credited service for benefit eligibility purposes pursuant to the terms of this Article.

- (B) The Employer and Union agree to a Rehabilitation Plan for the Legacy Plan that requires contributions to increase by 2.8% effective March 3, 2019, 2.8% effective March 2, 2020 and 3.0% effective March 1, 2021. The Employer shall continue to make contributions to the Legacy Plan for all active employees in classifications for whom they have previously made contributions to the Legacy Plan and for future active newly hired employees (who are in classifications for whom contributions have been made under the Legacy Plan pursuant to the prior CBA) who are participants in the Variable Annuity Plan (VAP) Plan. In addition, the 30 year and out pension benefit will be eliminated with respect to accrued benefits, as allowed under the Rehabilitation Plan after February 28, 2019. Specifically, the employer contribution rates to the Legacy Plan will increase according to the following schedule:

Pre-March 3, 2019 Contribution Rates	Effective March 3, 2019	Effective March 2, 2020	Effective March 1, 2021
Full-time: \$129.40 per week	\$136.74	\$140.57	\$144.79
Part-time: \$42.20 per week	\$44.59	\$45.84	\$47.22

The Full-time Contribution Rate amounts referred to in this Article shall be paid on behalf of all applicable employees as defined above for each week when such employee has worked thirty-two (32) or more hours excluding hours worked on Sundays and holidays, except for floating and banked holidays.

The Part-time Contribution Rate amounts referred to in this Article shall be paid on behalf of all applicable employees as defined above (excluding retirees who are receiving a UFCW Local 663 pension, Courtesy and Custodial, and extra employees) who have worked less than thirty-two (32) hours per week (excluding hours worked Sundays and on holidays).

(C) Active employees with 30 years of service as of February 28, 2019, are a protected group, and will not be affected by the elimination of the 30 and out benefit in Paragraph (C) above.

(D) The Employer and Union agree to establish a Variable Annuity Plan (VAP Plan) for future service benefits effective January 1, 2019. Employers will make contributions to the VAP Plan for all current active employees and future active newly hired employees in classifications for whom contributions have been made under the prior CBA. The following Employer contribution rates will be made to the VAP Plan effective January 1, 2019:

Weekly Contribution	Effective January 1, 2019	Effective January 1, 2020	Effective January 1, 2021
Full-time:	\$40.33	\$43.82	\$49.06
Part time:	\$15.51	\$16.65	\$18.36

(E) All current active and future active employees (excluding Courtesy/Clean Team, Extra Employees, and Retirees who are receiving a Legacy Plan pension) are eligible for coverage under the VAP Plan. All current active eligible employees will bridge their vesting service between the Legacy Plan and the VAP Plan.

In the event that a part-time employee, on whose behalf a Legacy pension contribution was being made, retires, quits, or is terminated and is not replaced, then the Employer will pay a contribution on behalf of the most senior non-pension benefitted part-time employee at the part-time rate in Paragraph (C) above. The intent of this provision is to maintain Legacy pension funding for the life of this contract. This provision will not be applicable however in the event of a store closure.

(F) Effective January 1, 2019, the annual benefit accrual of the VAP Plan for employees will be as follows:

	Effective January 1, 2019	Effective January 1, 2020	Effective January 1, 2021
VAP Accrual Rate	\$26.25	\$28.75	\$32.50

The service and vesting provisions of the VAP Plan will be the same as the Legacy Plan. The death benefit and disability benefits of the VAP Plan will be the same as the Legacy Plan. The forms of retirement benefit options of the VAP Plan will be the same as the Legacy Plan.

(G) The Normal Retirement Age of the VAP Plan will be age 65. Eligibility for Early Retirement will be the same as the Legacy Plan with benefits reduced 6.0% per year for each year of retirement commencement prior to Normal Retirement Age. For example, if a pension-eligible employee retires at age 61, the employee's pension benefit shall be reduced by 24% ((retirement commenced 4 years prior to age 65) x 6% reduction per year).

(H) All accrued annual benefits in the VAP Plan will be adjusted annually based on investment performance benchmarked to a hurdle rate of 5.5%.

(I) Annual increases in accrued benefits will be capped at 3.0% above the hurdle rate. Any surplus

increase in fund revenue based on investment performance above the 3.0% capped annual benefit adjustment will be allocated to a Stabilization Reserve. The purpose of the Stabilization Reserve is to support the maintenance of accrued benefits (for both actives and retirees) in years in which the investment return is less than the hurdle rate and which would normally cause a decrease in the accrued benefit. The Stabilization Reserve will be governed by the board of trustees of the VAP Plan according to the intent of this paragraph. The Stabilization Reserve of the VAP Plan will be pre-funded by reallocating funds from the Legacy Plan Contributions based on the following schedule (this reallocation of contributions requires that the Legacy Plan Rehabilitation Plan contribution increases will be 3.0% for years 4-10 of the Rehabilitation Plan according to the Plan Actuary):

Effective with the January 2019 Employer Contribution Payment	A \$350,000 contribution will be made to the VAP Plan Stabilization Reserve
Effective with the January 2020 Employer Contribution Payment	A \$350,000 contribution will be made to the VAP Plan Stabilization Reserve
Effective with the January 2021 Employer Contribution Payment	A \$350,000 contribution will be made to the VAP Plan Stabilization Reserve

(J) Upon retirement, employees eligible for pension benefits pursuant to the VAP Plan will have the option to choose whether (1) their retirement benefits will be fixed as of the date of their retirement, or (2)

All full-time and part-time employees on the seniority list shall be entitled to bereavement pay according to the following:

-- A maximum of four (4) days of leave with pay in the event of a death of a spouse, child, or parent.

-- A maximum of two (2) days of leave with pay in the event of a death of a brother, sister, mother-in-law, father-in-law, grandparent, or stepchild.

Paid leave for days lost from work for bereavement shall, except in the case of leaves for spouse or parent, be the date of the burial and the day or days preceding such burial.

Bereaved employees may take part of their paid bereavement leave for travel time for out of town burials.

Part-time employees shall not have their days rescheduled so as to defeat their paid bereavement leave.

Bereaved employees shall receive pay for scheduled hours lost to a maximum of eight (8) hours per day.

Extra Help part-time employees will be eligible for bereavement pay for time lost if scheduled to work if they have completed ninety (90) calendar days of employment.

ARTICLE 10: BEREAVEMENT

(K) The Employer may withdraw, without further bargaining, from the Legacy Plan during the term of this Agreement and pay its allocated withdrawal liability, as long as it continues to participate in the VAP Plan and pay the VAP Plan contributions pursuant to the terms of the collective bargaining agreement.

their retirement benefits will continue to vary annually based on investment performance. For employees who leave their employment for any reason prior to retirement, the accrued benefits will remain variable until retirement, at which point the employee may choose whether (1) their retirement benefits will be fixed as of the date of their retirement, or (2) their retirement benefits will continue to vary annually based on investment performance.

ARTICLE 11: JURY DUTY

Jury Duty Clause: The Employer shall grant to all full-time and part-time employees who have completed their probationary period and who are required to serve on petit jury the difference between the Employee's regular straight-time hourly rate of pay and any jury fee paid to the employee to a maximum of five (5) days per calendar year and up to a maximum of eight (8) hours per day. The employee shall notify the Employer upon receipt of jury service notice as soon as possible. Normally scheduled work hours spent on jury duty shall be considered as time worked for all purposes of this Agreement. When an employee is released for a day or a part of a day during any period of jury service, he/she is to report to his/her store for the remainder of his/her normally scheduled work shift.

Extra Help part-time employees will be eligible for jury duty pay for time lost if scheduled to work if they have completed ninety (90) calendar days of employment.

ARTICLE 12: LEAVE OF ABSENCE

12.1 General: The Employer may grant employees a personal leave of absence of up to six (6) months. An employee desiring a leave of absence shall make a request of the Employer in writing. When a leave of absence is granted, the Union shall be furnished a copy of same. Employee's failure to return to work immediately at the end of the leave of absence shall result in loss of employee's seniority. The Employer will use reasonable and fair judgment in determining whether or not an employee shall be granted a leave of absence.

12.2 Accident, Injury, Pregnancy or Sickness Leave: In case of accident, injury, pregnancy or sickness which renders the employee unable to work, an automatic Leave of Absence shall be granted for the period they are medically judged unable to work up to a period of one (1) year.

13.2 **Store Meetings:** Quarterly meetings may be scheduled by the Employer with employees being guaranteed a minimum of one (1) hour's pay or length of meeting, whichever is greater, for attending such meetings. The Employer will post a notice of the store meeting forty-eight (48) hours in advance.

13.1 **Tools and Clothing:** The Employer shall furnish and launder uniforms and tools at no cost to the employee. In the event drip-dry uniforms are used, the employee will launder his or her own uniform provided they are supplied a minimum of two (2) per week.

ARTICLE 13: MISCELLANEOUS PROVISIONS

FMLA is posted in all stores (where FMLA applies) so that you know your rights.

12.5 **Victim, Witness, and Domestic Abuse Leave:** The Employer will provide reasonable time off for an Employee's appearance, under subpoena, to testify on behalf of a victim of alleged domestic abuse or where an Employee is a victim of alleged domestic abuse. The employees may use accrued paid time off for this leave.

It is agreed that the ABC authorization is to be voluntary. The Employer agrees to remit the ABC contributions to Local 663 in the same manner as the Union dues.

ARTICLE 14: WAGES AND GENERAL CONDITIONS

14.2 **New Employees or New Promoted Employees:** The rate of pay for newly hired Meat Department employees shall be based on length of service. Length of service shall be computed as that served by the employee with the undersigned Employer or served as a member of District Local 663. The rate of pay for other full-time employees newly hired or promoted may be the starting rate for their appropriate classification. Previous part-time service within the past five (5) years will be recognized only if re-employed by the same employer, excluding extra employees as defined in Section 16.2.

14.3 **A full-time employee** who assumes the department head duties, and performs all such duties, for a period in excess of three weeks shall be paid a premium of .20¢ per hour for all such hours worked starting with the third week. No food handler shall perform this work as long as any full-time meat department employee hired before December 14, 1998 is on layoff without offering this work to the employee who is on layoff who could perform this work at their normal rate of pay.

14.6 Full-Service Meat Case: It is agreed that stores having a full-service meat case shall have the ability to utilize deli employees to sell out of and restock the full-service meat case, provided that a meat department employee has performed the initial filling of the case each day.

14.8 Maintenance of Rates: Those employees who are being paid the full-time progression hourly rate of pay at the time this Agreement is ratified shall not be reduced in hours or wages in an effect to defeat the intent and purpose of this provision.

14.9 Minimum Rates of Pay: During the life of this Agreement the minimum rates of pay shall be maintained at the Federal Minimum Wage. Changes in the Federal Minimum Wage shall result in corresponding changes in this Agreement's minimum rates.

ARTICLE 15: SUNDAY CLAUSE

These conditions are in addition to the regular contract work, pay and conditions clauses contained herein.

a. It is agreed that regular employees shall have the first opportunity for work on Sundays that stores are open for business. This may be done only if said employees are willing to work for six months at a time. The renewal notice must be sent to the union during the period commencing January 1 and ending on January 31 of any year. If the employer does not provide timely written notice of the extension to the union and the extra employees continue employment beyond January 31, they shall thereafter be eligible for all fringe benefits and their seniority date for all purposes under this Agreement shall be their last date of hire. In order for a company to utilize (part-time) extra employees in the grocery, deli and bakery departments, there shall be no layoffs or reductions in the grocery, deli and bakery departments.

16.2 **Extra Employees (Part time)**

waiver jobs must have a minimum of three (3) months employment with the Employer or as a member of the Union, if available. Irrespective of their seniority, part-time employees will have preference for summer waiver openings on a single store basis.
